

Maytag® Jetclean™ II Dishwasher with SteamClean option The industry's first dishwasher with steam option

THE SUPREME WAY TO CLEAN

Through an innovative steam and vapour process, the new Maytag® Jetclean™ II dishwasher with SteamClean option cleans even your most fragile glassware right the first time, every time.

Stylishly designed with a sleek, fully integrated panel, the new Energy Star® rated Jetclean™ II dishwasher with SteamClean option uses high-heat steam to loosen residue for maximum cleaning performance.

The durable Jetclean™ II dishwasher also features the most powerful motor* and the most spray jets** of all tall tub dishwashers, creating more water pressure to remove tough food particles for optimal cleaning results. Jetclean™ II's Stainless Steel Food Chopper** pulverizes food particles before they go into a Micro-Fine Plus Filter, the finest self-cleaning filtration system.**

The stainless steel tub interior provides better heat retention for better drying performance while also resisting stains, and a certified sanitize option ensures the wash cycle meets the criteria set forth by the National Sanitation Foundation (NSF) for killing 99.9% of household bacteria.

Plus, the Maytag® Jetclean™ Seal-of-Silence™ sound barrier means your dishes get clean while your home stays quiet.

Maytag® Jetclean™ II Dishwasher with SteamClean option

Model Number MDB8951BW

NEW! Maytag® SteamClean option

The innovative SteamClean option uses the power of high heat steam to loosen residue, improving cleaning performance for even your most fragile glassware.

Jetclean™ II Wash System

Thirty active high-pressure spray jets direct water in seven different directions to power scrub dishes, removing tough baked-on food particles.

Fully integrated panel

Hides all buttons and indicators for a sleek, contemporary design. Features microprocessor controls with touch pads.

DuraGuard® Nylon Racks

Deliver heavy duty durability and help protect dishes from scratches and damage while helping to resist rust. For added versatility and convenience, Jetclean™ II features an adjustable and fully removable upper rack for oversized items.

Stainless Steel Food Chopper

Featuring the largest food chopper**, the 300-grade stainless steel chopper blade pulverizes food to prevent particles from plugging the wash system and spray jets.

Availability: Maytag® Jetclean™ II dishwashers are available at home improvement stores and appliance retailers across Canada.

Colour/Finish Options: White, Black, and Stainless Steel

Manufacturer's Suggested Retail Prices: \$1,049.00: White, Black; \$1,149.00: Stainless Steel
